ABCmouse for Schools offers high-quality teacher support and implementation services to complement the award-winning and research-validated *ABCmouse Early Learning Academy* across your school community. This includes:

- **Full home access** for all students to strengthen the school-home connection and engage families
- **Teacher training** and professional development on best practices for integrating ABCmouse into the teaching day
- **Progress reporting** through a real-time leadership dashboard that drills down to the individual student
- **Rostering** and data management, including integration with Clever for automated data synchronization

A Wealth of Learning Resources!

Thousands of educational activities on ABCmouse.com make learning fun and exciting for students, teachers, and parents.

Every concept of the ABCmouse.com curriculum—whether it is the sound of a letter, the sequence of counting 1–5, or the seasons of the year—is explained in child-friendly language in one of our **hundreds of fiction and nonfiction books**.

Books

The great variety of music on ABCmouse.com serves not only to reinforce the other curriculum subjects but also to introduce children to **a range of musical styles and themes**. Children will love to sing along to our original and classic songs!

Music and Songs

ABCMouse.com includes hundreds of games and interactive learning activities, each designed to be **fun and educational at the same time**. Since all of the games on the site include voiced instructions, they are easy for young children to learn and play.

Games

ABCMouse.com's curriculum includes hundreds of jigsaw and cutout puzzles that help children learn and remember **important ideas and skills in reading, math, science, art, social studies, and music**. Children will remain engaged while developing essential fine motor and spatial sense skills.

Puzzles

With many different types of art activities—including coloring pages, dot-to-dots, paint-by-numbers, and traceables—ABCMouse.com helps children learn reading, math, and other subjects **while they are expressing themselves artistically**.

Art Activities

ABCMouse.com has printables for every subject. Encourage children to **continue their learning offline with over 2,000+ printable activities**, such as letter and number tracing, coloring, dot-to-dot pictures, paint-by-number drawings, mazes, and pattern-recognition activities.

Printables

ABCMouse.com features a large collection of **learning videos with a cast of fascinating and fun characters** who engage children while explaining many important topics in reading, writing, math, science, health, and social studies.

Instructional Videos

Millions of parents and teachers in the United States and other countries trust the multi-award-winning ABCmouse curriculum as a learning resource for their children and students.

- **ABCMouse is consistently ranked** as a leading children's learning iPad, iPhone, and Android **app** in both the *Kids* and *Education* categories.
- ABCmouse has received top **awards** from **leading U.S. education, parenting, and media organizations.**
- More than **1.5 million ABCmouse learning activities** are completed each day, with over **2.5 billion** completed to date.
- ABCmouse is regularly used in more than **65,000 classrooms** in the U.S., including **1 in 5 kindergarten classrooms.**
- ABCmouse is available in more than **40% of all U.S. public libraries.**
- Large-scale research studies have concluded that **ABCMouse accelerates learning by helping children make significant gains in early literacy and math skills.**
